MOTIVATIONAL SPEAKER

CEO / PRESIDENT / FOUNDER WHEELCHAIR BODYBUILDING, INC.

At the age of 16, **Nick Scott** was an ordinary teenager with an interest in athletics, when a near-fatal traffic accident changed life as he knew it... forever. After the accident, Nick became overweight and discouraged, but somehow found the determination, mindset and personal strength to transform his life from a debilitating tragedy into a personal triumph. Now he uses those hard-won insights to help others awaken the beast within themselves and achieve their personal goals.

IFBB PROFESSIONAL WHEELCHAIR BODYBUILDER

Nick has guest posed and competed in more than two hundred and fifty bodybuilding events globally since March 2006. The crowning achievement of his career was on March 19, 2011, when he won the overall title at the 2011 NPC Wheelchair Nationals, which were held in Palm Beach Gardens, Florida. By doing so, he was able to earn the IFBB Pro Card for wheelchair bodybuilding.

He also earned the WBFF Pro Card on July 18, 2009, in Atlanta, Georgia. Nick is the only wheelchair bodybuilder globally that hold two different professional wheelchair bodybuilding card from two bodybuilding organizations. Thus, far, this feat has not been replicated by any other athlete

Another major achievement in Nick's life was on August 16, 2014, when he took the first place at the 2014 Dallas Pro in Dallas, Texas. He managed to dethrone the Undefeated Amateur & IFBB Professional Wheelchair Bodybuilder. The undefeated champion had been a pro bodybuilder before he was involved in an accident. The accident forced him to turn to wheelchair bodybuilding.
